# EXPERIENCE THE difference

**Covenant Classical Schools & Daycare®** offers a safe and secure environment along with an exceptional academic curriculum, all in a distinctly Christian atmosphere. CCS has three campuses in the Birmingham area—Pelham, Trace Crossings and Valleydale. Each encourages a love of learning that begins in the infant stage extending through Kindergarten. We want to **serve** alongside families and communities to **build** relationships that impact the lives of the children that walk through our doors. We know that the difference truly is in the details of life—it's the little things that speak volumes. And at CCS, those little things make the **difference**.
